SENATOR DWORAK: Mr. President, I move the adoption of the amendments to LB 59.

CLERK: Mr. President, there are amendments to LB 59. There are no--yes there are E & R amendments. That is what you are moving to adopt. OK.

PRESIDENT: The motion is to adopt amendments to 59. Is there any discussion? All in favor of the adoption of the amendments to 59 signify by saying aye. Contrary.

CLERK: OK, Mr. President, there are now pending amendments to LB 59. Signed by Senator Cavanaugh.

PRESIDENT: The chair recognizes--the chair recognizes Senator Cavanaugh.

SENATOR CAVANAUGH: This amendment would allow the issuance of three complete volumes of statutes to every member of the Legislature. Currently, the newly elected members at this time are entitled to two. I think that the group that I came in with were entitled to one and I don't know what anybody else was entitled to but it is--it's been confusing that the statutes has been changed numerous times and I think that the appropriate number is three statutes. The Executive Board has allowed I think--did we allow three the last time--two but we would have to pay--we don't have to pay for these that are in the statutes, so they would be issued to us without having the Legislature having to pay for them. I think that we're entitled to three. We can use three. I have found in my experience here that you need a set on the floor. You need a set in your office and you need a set at home because that's where you are in contact with your work with the statutes transpires and I move the adoption of the amendment.

PRESIDENT: Is there any further discussion? The chair recognizes Senator Lewis.

SENATOR LEWIS: Mr. President and members of the Legislature, I would like to direct a question to Senator Cavanaugh, if I might.

SENATOR CAVANAUGH: Yes, Senator Lewis.
